CHRISTIAN MEN'S JOB CORPS®
CHRISTIAN WOMEN'S JOB CORPS®
a ministry of WMU®

Equipping them for jobs.

Equipping them for life.

What is Christian Men's Job Corps (CMJC) / Christian Women's Job Corps (CWJC)?

Vision: Alleviate material poverty through holistic training and development in a Christ centered environment.

Mission: Offer a hand UP for the community by bringing existing public resources to Staunton while filling gaps for the remaining needs.

CMJC/CWJC is not a job placement agency, but it is a job preparedness and life skills program. Our passion is to alleviate poverty, knowing that poverty is not just material. Our aim is to focus on relational, spiritual and physical health. Healthy individuals will be more likely to operate and thrive independently in society.

What makes CMJC/CWJC different?

CMJC/CWJC has two distinctives that makes us different:

Bible Study: We believe in the power of the Bible, as God's Word, to change our lives. Therefore, every participant is involved in regular Bible Study.
